GENERAL

All tournament play is governed by the 2014-2016 edition of The Official Rules of CueSports International and the following regulations. Modifications to the official rules are included in this document and take precedence over the official rules. Full Tournament Regulations can be found here: <http://wspapool.com/user-files/documents/tournament-regulations.pdf>

CASUAL DIVISION CRITERIA

All Casual Division entries will be reviewed. If you have questions on eligibility, please email info@wspapool.com prior to submitting your entry. We will use MyPoolStats, FargoRate, league stats (win/loss %, table run/ERO), and any other source for determining eligibility. Strength of league will be considered while looking at win/loss %.

CODE OF CONDUCT

Players and spectators are expected to conduct themselves in a respectable manner. Any negative actions of players or spectators that reflect negatively on the organization or venue will not be tolerated and will result in probation or suspension from WSPA events.

REFUND AND DIVISION CHANGE POLICY

QUALIFICATIONS TO ENTER

Wisconsin or out-of-state residents must have played a minimum of four matches in a WSPA sanctioned league. If you do not shoot in a WSPA league but are a Wisconsin or Michigan Upper Peninsula resident, please find our WSPA Player Membership & Entry Form at: www.wspapool.com/tournament. The WSPA may require you to show proof of residency. WSPA Player Members (non-league members) are eligible for singles events only and cannot play scotch doubles or team events. If you have a question regarding your sanction status or eligibility, contact your League Operator (if applicable) or email info@wspapool.com.

TAX INFORMATION

Any player having won \$600 or more from WSPA tournaments will be required to fill out Form W-9 which will be available at the tournament(s). If you do not fill out this form, we will be required to withhold 30% of your prize money. The WSPA will report your winnings to the IRS and send you Form 1099-MISC.

SAFETY/SOFT BREAKS

- No intentionally soft breaks or safety breaks.
- If your break is illegal, with or without a foul, your inning ends. Your opponent may:
 - Re-rack the balls and break.
 - Require you to re-rack the balls and break again.
- The game cannot continue until there is a legal break. If a break is illegal and there is also a foul, the illegal break takes precedence and the incoming player must choose either option "A" or "B" above.
- If it is found that you are intentionally doctoring the rack or not striking the rack with a reasonable force, that game will be forfeited. Final decisions on this violation are at the discretion of the Tournament Director.

SLOW PLAY

This rule is to minimize slow play in order to move the events along at the scheduled pace and to offer a pleasant experience for all players.

- Players can be put on a shot clock if it is determined they are taking an excessive amount of time to shoot. Event officials require that matches proceed at a steady pace. You may call a referee if you believe your opponent is consistently taking longer than one minute per shot. If after a reasonable time of observation, the referee determines that slow play is occurring, they will warn the offending player. If slow play persists after the first warning, the Tournament Director or designee will place the offending player on a shot clock. The shot clock will be used until the offending player demonstrates they can play in the allotted amount of time.
- If it is determined he or she is slow playing again in the same or a later match, the player will be warned again and watched by a tournament official. If the opponent continues to consistently take longer than a minute to shoot, then the penalty will be a game forfeiture.
- If the same player is found slow playing a third time in an event, he or she will once again be warned and if found to still be slow playing will forfeit their remaining games in that match.
- A fourth occurrence by the same player will result in a warning, and if found to be slow playing again, he or she will be disqualified for the remainder of the event.

DRESS CODE

Dress code requirements are established to add to the prestige and respect to the WSPA State Championships. Your cooperation in wearing neat, clean apparel at all times during competition is appreciated. Any player not using good personal hygiene (showing, etc.) will be subject to the same match forfeitures. Final decisions on dress code violations are at the discretion of the Tournament Director and/or WSPA Board.
